General Information

Any type of motorcycle is welcome on the tour. Let's Ride Motorcycle Tours reserves the right to make modifications to the tour at any time for any reason.

Riders MUST:

1. possess a valid driver's license with current motorcycle license endorsement
2. demonstrate solid riding ability
3. be at least 21 years of age
4. obey traffic laws
5. follow the instructions of tour guides

Riders and Passengers MUST wear DOT-approved helmets. "Beanie" or "novelty" helmets do NOT meet this requirement and riders or passengers who wear these types of helmets will NOT be allowed to participate in the tour. **No refunds will be given for failure to have a valid driver's license with a current motorcycle endorsement or for not wearing a DOT-approved helmet.**

Tour participants are responsible for any citations they might incur during the tour. Alcohol or drug use during the tour is not permitted under any circumstance. Prescription drugs that may impair your ability to safely operate your motorcycle are included in this prohibition.

Booking Requirements

1-Day Tours: Riders are responsible for their own motorcycle, food, gas, and any incidentals purchased along the way. We will be riding approximately 100-300 miles, depending upon the specific tour.

Payments for your tour are made using a major credit card and PayPal. Please email or fax the original forms to Let's Ride Motorcycle Tours. **1-day tours require payment in full with registration.**

3- and 4-Day Weekend Tours: Riders are responsible for their own motorcycle, food, gas, and any incidentals purchased along the way. We will be riding approximately 850-1000 miles in three or four days.

Payments for your tour are made using a major credit card and PayPal. Please email or fax the original forms to Let's Ride Motorcycle Tours. **3- and 4-day weekend tours require payment in full with registration.**

7- and 12-Day Tours: For our pre-planned tours, please reserve early so you can participate in the tour of your choice. In order to keep our tours and service at the highest standards, for our 7-day and 14-day tours, we prefer to limit our tours to 6-12 motorcycles. Last minute reservations will be taken only if there is still space available. **If the minimum number of motorcycles has not registered for the tour, the tour will be canceled and registered participants will be notified via email.** If a tour is canceled due to insufficient riders, your funds will be refunded to you in the manner in which they were paid, minus any applicable PayPal fees.

A deposit of \$500 per person is required to reserve your space on a tour. **Your deposit is due ten (10) calendar days** after receiving your reservation form. **The balance for the tour is due a full 30 days prior to the tour date.** Please use PayPal for your deposit and balance transactions. This will assure you that you receive a receipt for your records.

If you book less than 30 days before your tour date, then the entire cost is due immediately. Last minute reservations must be paid in full.

Prices quoted include lodging, meals, and tax. Gasoline and incidentals are NOT included. Let's Ride Motorcycle Tours does not rent motorcycles.

Cancellation Policy

1-Day Tours and 3- and 4-Day Weekend Tours: Payment for the Weekend Tours is due at time of registration. **There are no refunds 0-14 days before departure.** If you do need to cancel, we would be happy to apply your payment, minus the PayPal fees, to a future tour. There will be no refunds for unused services or accommodations once the tour has started. **If you cancel a 3- and 4-Day Weekend Tour 14 days or less prior to the tour date, there will be a \$25 cancellation fee.**

There are no refunds if you cancel 72 hours or less prior to the start of the tour; however, tour fees may be applied to future tours.

We rarely cancel or postpone a trip, but we reserve the right to do so when necessary. In the event of such an occurrence, we will notify you promptly and refund your fees or apply them to another trip, but we are not responsible for any travel expenses incurred.

Tours More than 4 Days: Because our tours require an early commitment of resources, **cancellations made 30 days prior to departure will be subject to a fee of \$250.00 per person. There are no refunds 0-14 days before departure.** If you do need to cancel, we would be happy to apply your payment, minus the cancellation fee, to a future tour. There will be no refunds for unused services or accommodations once the tour has started.

Travel Insurance

If you are planning your tour far in advance, or coming from some distance away to participate in your tour, and you believe your trip may be at risk for any reason, we recommend that you purchase trip cancellation insurance. **Travel and trip cancellation insurance is not included in the tour packages, but it is recommended and can be purchased through a travel agent.** Let's Ride Motorcycle Tours does NOT sell travel insurance. **Tour participants are responsible for their own medical insurance.**

Storing Unneeded Luggage or Gear

If you will have more gear with you than you can carry on your motorcycle, or are on an extended vacation, it's commonplace to use a storage facility to keep your extra gear. Let's Ride Motorcycle Tours does not have the room to store your gear for you. If you are renting a motorcycle, the rental facility may be more than happy to store your luggage or spare gear. Many hotels also provide short-term storage service for their guests. Please arrive at your lodging facility of choice a day early so that you can meet whatever

requirements the facility might have for storing your gear while you're on your motorcycle tour.

Meals

3- and 4-Day Weekend Tours: Meals are **NOT** included in the tour cost so please bring some cash or credit cards so that you may enjoy the restaurants the group will frequent. Depending upon the wishes of the group, a single bill may be split or each tour participant may be responsible for his own food costs.

Over 4 Days on Tour: Breakfast & lunch are not included. Dinner each day is included and you can order any food item you'd like from the menu. Each tour may have some "free" days, depending on the specific tour, and you will be responsible for your own meals on those days.

Lodging

3- and 4-Day Weekend Tours: Lodging may be booked for you. However, you will be responsible for your lodging costs. Let's Ride Motorcycle Tours will reserve a block of rooms for our tour participants. Our lodging typically is in Best Western or Holiday Inn type motels and typically are within walking distance to our dinner destination. Costs range from \$70-\$150 per night depending on the time and region of the tour.

Over 4 Days on Tours: We have chosen our accommodations based on service, cleanliness, comfort, price, and location. If you are traveling with a partner, we will make arrangements ahead of time for a single or double bed.

Arriving early: Regardless of the length of your tour, we strongly recommend that you arrive one day before your tour is scheduled to begin so that you can familiarize yourself with the area and learn the location of the tour starting point. **The start of the tour will NOT be delayed** because you can't find where the tour begins.

Gear

We highly recommend that you dress in layers. Let's Ride Motorcycle Tours strongly recommends you wear motorcycle-specific protective gear while riding a motorcycle. Temperatures will vary by season, obviously, as well as by elevation.

Tour Safety

Tour safety is our foremost concern. Helmets are required for both riders and passengers. Non-DOT-approved "Beanie Helmets" or "Novelty Helmets" are not allowed. If you do not have a DOT-approved helmet, you will not be allowed to participate in the tour. **No refunds will be given for failure to have a DOT-approved helmet for either the rider and the passenger.**

Tour participants are responsible for any citations they might receive during the tour. Alcohol or drug use during the course of the tour is not permitted.

Weather

The weather is not predictable so please come prepared to deal with inclement weather regardless of the time of the year of your tour. This includes rain, heat, wind, and a number of other factors that are found at our tour locations.

Bringing Your Own Motorcycle

The majority of riders on Let's Ride Tours ride their own motorcycles. We welcome all makes of motorcycles and tour participants from all walks of life. We only ask if you bring your own motorcycle to ensure you have a new, or nearly new, set of tires and have your motorcycle in excellent running condition. Please ensure your motorcycle is ready to handle the length of the tour you have booked.

Tour participants should also consider obtaining some type of roadside service for your motorcycle prior to arriving for your tour. You also might find it convenient to trailer your motorcycle to our starting point. However, Let's Ride Motorcycle Tours does not have the ability to provide storage for your trailer for the duration of the tour.

Shipping Your Own Motorcycle

Shipping your motorcycle to your tour destination is an option; however, please verify with your shipper that the motorcycle will be in your possession for the tour. You need to work out the logistics and cover the costs of having your motorcycle shipped to the starting point of the tour. **If your motorcycle is not available for the tour, we will gladly apply your funds toward a future tour, but no refunds will be given.**

Renting A Motorcycle

Let's Ride Tours does not rent motorcycles. A number of companies do rent motorcycles. To ensure you get the bike you want, reserve at least three (3) months in advance. Call the rental facility of your choice to have them familiarize you with their rental process and costs. Riders typically pick up the bike the day before the tour date, and arrange to return it the morning after the end of the tour.

Non-U.S. Residents

You must have your passport with you at all times when renting or touring with us if you are not a permanent resident of the United States.

Flight Arrangements

Let's Ride Motorcycle Tours does not make flight arrangements. **The cost of your flight or other travel costs to the tour starting point is NOT included in the tour price.**

Let's Ride Motorcycle Tours Waiver and Release Form

Instructions

Please complete this Waiver and Release Form and email it **with** your Registration Form (Patrick@patrickhale.com) Fax the completed registration **and** waiver forms to us at 413.740.7735. Please use the PayPal buttons on this website to pay your tour deposit.

You MUST complete a Waiver and Release Form for each participant, including passengers. If the Waiver and Release Form is not completed, you will NOT be allowed to participate in the tour and you will NOT receive a refund.

Introduction

Your motorcycle tour may cover a tremendous variety of riding conditions ranging from multi-lane urban highways to two-lane twisty mountain roads and everything in between. The possibility exists that roadwork will be underway, road conditions may not be optimum, or common road hazards such as gravel, sand, or debris, may be on the pavement. As with any outdoor activity, inclement weather such as rain, fog, hail, sleet, ice, or snow may be encountered. Elevations may range from below sea level to over 10,000 feet. Riding a motorcycle exposes you to temperatures extremes that vary widely, typically related to the elevation and the season. Your Let's Ride Motorcycle Tour is not for novice riders nor a place to learn to ride a motorcycle. It is important that tour participants are in reasonable physical health and accustomed to spending the time required to complete the tour. Depending on the specific tour, the time spent riding your motorcycle could be less than a day or up to fourteen (14) days.

Waiver and Release Agreement

By signing this Waiver and Release Form, you indicate your understanding and agreement that operating a motorcycle is an activity that includes and contains considerable risk of serious personal injury, paralysis, dismemberment, property damage, property loss, or even death. You knowingly and freely accept all risks of personal injury and property damage or property loss arising from your participation in a Let's Ride Motorcycle Tour. You hereby agree that you, your dependents, heirs, successors, executors and assigns do release, indemnify, and hold harmless Let's Ride Motorcycle Tours. Your waiver specifically includes the owners of Let's Ride Motorcycle Tours, its employees, and agents from any and all claims, however caused, arising from or related to a Let's Ride Motorcycle Tour even if caused by the negligence of the releasees or other participants in the tour or others on public roads or associated areas.

You agree to ride within your personal riding ability and agree not to be influenced by any group or pack mentality to ride faster than is within your ability or the limits of what is considered safe riding conditions. Nor will you be influenced by riding displays by your fellow tour participants nor tour guides that could be considered unsafe. You fully understand that you may encounter riding conditions and roads that you have not traveled before, and have no prior knowledge of, and therefore will ride within a manner that is considered safe for those riding conditions. You fully understand that you may not have a direct line of sight of your tour guides at all times during the tour, yet agree to ride in a safe manner within your riding ability. You also agree that you will not, under any circumstance, ride your motorcycle, a rental, or loaned motorcycle on a Let's Ride Motorcycle Tour, beyond your skill level and in lawful and safe manner.

By signing this Waiver and Release Form you release, hold harmless, and promise not to sue Let's Ride Motorcycle Tours, its officers, owners, directors, employees, or agents (collectively "releasees") with

respect to any and all bodily injury and/or other loss resulting from your participation in a Let's Ride Motorcycle Tour whether as passenger or operator of a motorcycle, whether caused by the negligence of the releasees or otherwise during any aspect associated with your participating in a Let's Ride Motorcycle Tour.

In addition, by payment of a deposit, and/or your signature on this Waiver and Release Form, you certify that you do not have any physical or mental condition or disability that would create a hazard for you or your fellow tour participants, including Let's Ride Motorcycle Tour personnel. You also certify that you are over 21 years of age and are in possession of a valid motorcycle operator's permit endorsement on your valid driver's license.

You, the tour participant, be it motorcycle operator or passenger, will abide by all terms as stated herein. You hereby agree Waiver and Release Form shall be binding and enforceable against you, your personal representatives, spouse, assigns, heirs, and next of kin without limitation.

You affirm that you have not received or relied on any oral or written representation of Let's Ride Motorcycle Tours as a basis for executing this Waiver and Release Form. Your signature indicates that you have read and understand the terms of the Waiver and Release Form. You acknowledge your responsibilities under this Form and understand that Let's Ride Motorcycle Tours cannot accept any tour participant, be it operator or passenger, without a duly signed release and waiver form, you understand clearly that you have given up substantial rights by signing this release and waiver of responsibility and have signed it freely and voluntarily without any inducement, assurance, incentive, or guarantee being made to you and intend your signature to be a complete and unconditional release of all liability to the greatest extent allowed by law.
